This charming Modified Mid-Century is located in Edmond's coveted Sealawn Terrace neighborhood. Perched above Browns Bay, a friendly, quiet, walking community that enjoys sweeping Western Sound & Mountain views, fresh saltwater breezes, glorious sunsets and convenient beach access.

This well built home has retained much of the original detailing; boasting vaulted ceilings, exposed beams, wood burning fireplace, and hardwood floors. The warm Architecture brings "outside-in" with an abundance of windows.

The thoughtful U-shaped floor plan continues the "green space" theme. Starting with the courtyard entry and then centers around the entertainment sized Dining Room & inviting Kitchen with sunny atrium windows that overlook the tranquil backyard. Cozy entertainment room off
