This charming Modified Mid-Century is located in Edmond's coveted Sealawn Terrace neighborhood. Perched above Browns Bay, a friendly, quiet, walking community that enjoys sweeping Western Sound & Mountain views, fresh saltwater breezes, glorious sunsets and convenient beach access.

This well built home has retained much of the original detailing; boasting vaulted ceilings, exposed beams, wood burning fireplace, and hardwood floors. The warm Architecture brings "outside-in" with an abundance of windows.

The thoughtful U-shaped floor plan continues the "green space" theme. Starting with the courtyard entry and then centers around the entertainment sized Dining Room & inviting Kitchen with sunny atrium windows that overlook the tranquil backyard. Cozy entertainment room off the kitchen offers access to the second story loft studio with beautiful Puget Sound and the Olympic Range views. The serene generously sized master with updated en-suite bath, looks out over the garden area and fruit bearing apple tree
